Flatiron Ridge FAS Project

Montana Fish, Wildlife & Parks (FWP), Region One, has completed an environmental assessment (EA) for Flatiron Ridge FAS (T22N, R30W, S35, in Sanders County) for the purpose of increased parking, greater opportunity for shore fishing, ADA access, and spreading use over the limited area available to avoid congestion in the boat ramp area.

There were no changes to the draft EA; therefore, the draft becomes the final EA. Copies of the final EA and decision document are available at Fish, Wildlife & Parks, 490 N. Meridian Rd., Kalispell; Montana State Library, 1515 E 6th Ave., Helena; Thompson Falls Library, 402 Maiden Lane, Thompson Falls; and the FWP web site at fwp.state.mt.us.
